W.P.(C) No.17298 of 2007

.....

Dated this the 20th day of June, 2007.

JUDGMENT

Even though petitioner has filed this W.P. apprehending drawal of electric line over her property for giving connection to another person, it is seen from the site plan produced by KSEB that the line proposed fully passes over a pathway or atleast over the boundary of properties of all the land owners. Moreover, the property over which the line passes in the beginning is said to be puramboke land. In the circumstances, petitioner cannot have any objection in drawing the line as proposed. The W.P. is closed directing the KSEB to draw the line in the route as shown in the sketch produced by them in the court.
